Brand Name Sweaters at Reduced Prices!

THURSDAY, OCTOBER 18TH

ATWATER COMMUNITY CENTER

4:00PM – 7:00PM

The AAHfS Health Fair was held September 18th with 28 vendors offering health & service information. There was time for networking, door prizes, snacks & socializing in addition to gathering valuable information. We had over 70 people attend, 22 flu shots were given, and 3770 expired, unused medications were destroyed.

Dancing with the Atwater Area Stars was an evening of amazing entertainment & performances. The dancers were All-Stars and their dedication to the fundraising was outstanding. They gave of their time to learn a dance routine, practiced for hours, hunted for costumes that matched their dance AND sold tickets. There are no words to describe all of the work the volunteers do behind the scenes. Without our volunteers, shows like Dancing with the Atwater Area Stars could not happen. The beautiful baskets for the silent auction were enticing and well sought after and the Raffle items brought a huge amount of funds as well! THANK-YOU Christa Forsythe! Her talents as an Emcee cannot be measured and we are very grateful to have her in our midst. Thank you to Deb Mickle & Blair Fredrick for the enjoyable entertainment and to our Judges. Our sincere thank you to everyone who attended and contributed in any way to make the evening a very successful event.
